About Me

A motivated Java developer with hands-on experience in building full-stack applications using Spring Boot, React, and PostreSQL databases. Strong understanding of OOP, DSA, and backend system design. Focused on writing clean, scalable code and continuously improving through real-world project development.

Technical Skills

Languages: Java, JavaScript, SQL
Frameworks/Libraries: Spring Boot, React.js,Tailwind
Databases: PosgreSQL,SQL,MongoDB
Version Control: Git/GitHub
Core Knowledge:Data Structures Algorithms,Object-Oriented Programming, DBMS, Computer Networks, Software Design Principles

Projects

ATM Simulator System | *Core Java ,Swing and AWT, SQL* ⬈
- Developed an ATM Simulator System (Desktop Base Application) using Core Java (Swing AWT) and SQL for backend data management.
- Implemented key banking operations such as account creation, deposit, withdrawal, mini statement, and PIN change.
- Designed an intuitive GUI interface to simulate real ATM user interactions and transaction flows.
- Ensured data validation, error handling, and secure database connectivity for reliable performance.

Employee Management System | *Java, Spring Boot, Hibernate, PostgreSQL* ⬈
- Developed RESTful backend API using Spring Boot and Hibernate ORM.
- Enabled full CRUD operations on employee data.
- Used PostgreSQL for data persistence with structured endpoints.

Share My Ride | *Core Java, JavaFX, Firebase, API Binding* ⬈
- Team Size: 4 — Role: Authentication User Management Developer
- Developed a secure authentication and user management module using Firebase for real-time data handling.
- Implemented user registration, login, password recovery, and session validation functionalities.
- Ensured data integrity and access control through role-based authentication and encrypted credentials.
- Collaborated with the backend and UI teams to integrate authentication workflows seamlessly with the main system.

Certifications/Courses

MongoDB for Developers   **June. 2025**
Issuing Institution: MongoDB University

Full Stack Web Development   **Jan. 2024**
Issuing Institution: Edukera

Python Programming Fundamentals   **June. 2023**
Issuing Institution: IIT Kharagpur

Education

Savitribai Phule Pune University   **2022 - 2026**
*B.E. Computer Science - **CGPA : 8.3,***   *Pune, Maharashtra*

Maharashtra State Board of Secondary and Higher Secondary Education   **2020 - 2021**
C T Bora College Shirur.   *Pune, Maharashtra*

Maharashtra State Board of Secondary School Education   **2019 - 2020**
New English School Dhamari.   *Pune, Maharashtra*
